

After completion of itemizing your individualized choices, time, and budget allowance:

*We will propose the best possible package within two weeks. Call Today?*

Before starting this business in design, Catherine Mayer developed and helped maintain websites for two small e-commerce companies.

This experience, combined with her firsthand knowledge of church administration and communication concerns, makes **Bazil Web Works**, the perfect choice to ensure the completion of your web site with efficiency and compassion.

No matter your needs, if you have an existing web site or are considering adding one to your business, please consider **Bazil Web Works** to help you with the development and keep your site up to date and looking fresh.

Contact us to discuss the options for your parish. Please call 612-269-1262 or email [Katie@bazilwebworks.com](mailto:Katie@bazilwebworks.com).

## Dedicated

---

**Bazil Web Works** is dedicated to your site's needs. We understand that each organization has different requirements in look, feel, and design, and we'll take this all into account when planning and organizing a site.

Whether that be a three page website or as complicated as an over 20 page website, we are prepared. These pages provide location, contact information, communication through email, mass schedules and more; just the start to adding more pages as the enthusiasm of communication and community grows.

I bring a deep appreciation for how people and ideas spread on the web. I help marketing strategies plan viral marketing techniques, maximize networking and decrease marketing expenditures by increasing people's ability to connect directly to you.

## Website packages

*Packages will accommodate almost any need, or you can let us create your package.*

It is important to note that it is not necessary for you to have an Internet connection at your parish or business in order to have a viable website.

**Bazil Web Works** can handle the set-up and launch and the updating of your web site for you!

**PACKAGES MAY RANGE FROM THREE PAGES ON UP, AND ALL PACKAGES MAY INCLUDE EMAIL SERVICE, OUR HOST AND MAINTENANCE AND YOUR LETTERHEAD. ADDED OPTIONS WILL INCREASE THE COST. PACKAGES DESIGNED TO MEET YOUR NEEDS.**

**PRICED FROM \$299.00 ON UP PER DESIGN DEPENDING ON OPTIONS CHOSEN. A MONTHLY MAINTENANCE FEES AS LOW AS \$8.75 PER TOUCH OR \$35.00 PER HOUR.**

---

Each site tailored to fit appropriately within your budget, without sacrificing effectiveness or creativity.

## What Services can you expect?

**We** will design and maintain the web site so you are always visible on the internet.

**We** will provide the domain name search and registration, which is unique to each web site.

**We** propose to assist in planning, designing, and implementation of your web site. We will establish the initial wants, then needs and lastly discuss what is possible for your particular area and your internal software and hardware communications systems.

**We** are prepared to offer some advising on implementing the necessary software program or hardware that your project would suggest; keeping in mind the budget for upgrading your systems.

**We** offer training to your staff, if you desire your site be implemented and maintained in your church or business.
